Spring Term 2018

Class Japan

Journeys

Let's get ready to rumble!

This is a long **geography** based unit looking at Volcanoes and Earthquakes.

English—we will look at explanations, traditional tales, reports and poetry including haiku, tanka and kennings.

History -we will carry out an extended study to show changes in social history across different periods of time. Our focus will be Crime and Punishment across the ages.

Geography- Volcanoes and Earthquakes

Science will involve the science topic Forces and Magnetism, States of Matter and Rocks

Design and technology— Designing and making earthquake proof buildings and structures.

Art -Fire and Ice—comparing and creating textiles

RE- Journeys across different faiths

PSHE- Financial Capabilities
