

June Freshney – Foundation Governor

*Born in Louth, Lincolnshire in 1946, youngest of two girls. I attended St Michael's C of E Primary School followed by Monks Dyke Secondary Modern School. I left at 15 to work in a department store in my home town and aged 18 moved to another store also in Louth where I was able to develop skills as a window dresser. Married in 1968 to Stuart, we have three sons now living in various parts of the country, Dorset, Nottingham and Leicester. We moved as a family to Washingborough when Stuart's work transferred to St John's Hospital, Bracebridge Heath, Lincoln. The move gave me an opportunity to develop my faith and a growing sense of ministry.*

*As a priest I served previously as a Diocesan Reader before being trained for ordained ministry on the East Midlands Ministry Training Course and was ordained at Lincoln Cathedral in 1999. I served as an associate priest in Washingborough parish before taking a House for Duty post in the Caythorpe Benefice in 2005 before finally coming to Ancaster to retire.*

*I have a Diploma in Theology and Pastoral Studies and use the experience gained through this training and life experience to be aware of the broad spectrum of care needed which arises in community life. I have been involved in working with children through Sunday School, Youth Clubs and in being invited into Schools for worship and the pastoral support of staff.*

*As a Professed Tertiery, (member), of The Third Order of the Society of St Francis since 1983 this has helped me to develop a sense of humility, love and joy (hopefully!) in my work and home life and is a constant challenge to live within a religious order and its rule.*

*My interests lay in listening to a broad range of music, painting and art, reading and books.*
