

Margaret Kirby – Co-Opted Governor

*I live in Ancaster and have been associated with the school since 2014, when I became a volunteer here, after retiring from my job as a Teaching Assistant at a local school. My two grandchildren attend the school.*

*I became a co-opted Governor in November 2015 and am Chair of the Standards and Curriculum Committee with Governor responsibility for Literacy.*

*It is both a privilege and a pleasure to be a part of the Ancaster C of E Primary School community.*
