Key Dates:  
 Sustrans Big Pedal Week– 23rd April  
 Class Photographs- 4th May  
 E-safety parent workshop 6pm – 21st May  
 Family share and shine– 22nd May 9.15 am

Visitors:

Olympic Athlete Visit- Sophie Allen – 19/04/18  
 Tony Butler– Exotic Animal Encounter– 24/04/18  
 Alan MacKenzie– Year 5/6 E-safe Workshop– 21/05/18

**Summer Term 2018**  
 Class New Zealand Creative Curriculum  
 The Wonder Of A Wonderful World

This term our topic 'We're Alive' focuses on our wonderful world and what it means to be human living on it. In **science**, class New Zealand will explore the human circulatory system and uncover the importance of diet and exercise on our health and wellbeing. We will also classify a variety of animals we share the planet with along with making observations of their various habitats using fieldwork skills learnt in **Geography**. Our 'Wonder of a Wonderful World' topic will help the class reflect on what it is to be a compassionate human and ultimately a good friend. Based around our class novel 'Wonder' by R. J. Palacio, we will explore how the different characters behave and interact with each other, and the challenges and hurdles they overcome which ultimately we can learn from in our own lives. This coupled with our **PHSE** studies on myself and my relationships will help to contribute in ensuring our children are well rounded individuals who are ready to contribute positively to this diverse, exciting world. **English**, will encompass a variety of writing in different genres, including recount writing, extended narratives and poetry with a message about caring for the environment. This term, we will combine our **DT studies** about seasonal foods with **science** for an exciting WOW day in which we will create our very own range of healthy crisps. In **RE**, the topic 'Beautiful World Wonderful God' will allow us to appreciate the beauty of the natural world, the responsibilities we have in caring for it and Christian beliefs about how it was created. Last but far from least, we will start rehearsing for our end of year production, which will be a feast of **music, art** and bags of talent!
