

Class News

Welcome back to what is going to be a super start to 2019 in Class Indonesia. We hope you all had a restful summer and did lots of fun things together. We are now ready for an action packed term of learning. The teaching week will be Mrs Parsons teaching on Monday to Wednesday and Mrs Tomlinson teaching on Thursday and Friday with Mrs Green covering on Wednesday afternoons. Mrs Phillis is the class teaching assistant.

We will need support from adults from time to time such as on trips, cooking activities, sewing etc... If you feel you have any free time and could help out, please let us know. We particularly need parents to read with individual children and to help with activities in the classroom and outdoor area. We also need help with practical tasks like laminating resources etc.

If you would like to talk to one of the adults about your child's learning we will be available on the playground in the morning and at the end of the school day after the class has left.

Class Wow Day

On Monday 14th October we will have lots of fun in Class Kenya for our London's Burning!! Day where we will have lots of Great Fire of London fun. We will have some role play, a lot of history and plenty of practical activities to enjoy and learn about the Great Fire of London. Dress up is not required, so will be normal school uniform.

Parent Sharing

This term's parent share and shine session will be on Wednesday 16th October at 9.15a.m. for you to join us and take part in some learning in class. Please make a note of the time and join us in Class Indonesia!

We hope you find this information useful. We will be available on the playground before and after school each day. Please do not hesitate to catch us if you have any questions.

Best Wishes,
Mrs Parsons and Mrs Tomlinson

Homework

Maths and English-This will be handed out on alternate weeks; it will be given out on a Friday and handed back in the following Thursday.

Home Reading - Please record in your child's daily planner any reading your child does outside of school. Either reading their school book or any other reading they are doing at home. All reading is valued.

Spellings/ Sight Vocabulary Words -We will send home spellings for children to learn at home. There is no requirement for children to return their completed spelling sheets: each sheet is a guide for you to use and help your child learn the spellings expected of them for their age. Spellings will be stapled into your child's reading record when required. Please check. In addition we will include a small number of words for children to practice reading by sight. These will be written at the bottom of the spelling sheet.

Physical Education- PE

Please make sure that PE kit is in school all every week.

Where possible PE will take place outside and it can be cold, so ensure you provide tracksuit trousers/ sweatshirts or similar. If your child does not bring in their PE kit on 3 occasions, you will be informed by letter. If your child is unable to take part in a PE activity, please speak to us or send a note into school. However, for most children we will adapt tasks to suit individual needs. Year One PE sessions are on Monday and Thursday.
