

Julia Nadarajah – Co-Opted Governor

*I'm Julia Nadarajah and I'm 62, married to Mano and I live in West Willoughby; we have family in Lincolnshire, London and abroad and we enjoy seeing them all as often as we can.*

*I have 4 grandchildren who are aged from 9 to 14 and they are all being educated in Lincolnshire schools just as I was (one is even going to the same school that my son and daughter in law attended!)*

*In the 1970s, I trained to be a teacher but I subsequently realised that my preferred career was in social work and I became a qualified social worker in 1991 and over the years I have worked in a range of social care settings . I retired a couple of years ago but I continue to work on 2 days a week for the Lincolnshire safeguarding and review team and in my spare time I am also the Vice Chair of Ancaster, Sudbrook and West Willoughby Parish Council.*
