

Sally McDowall (Parent Governor - term of office ends October 2017) – Chair of Governors

*I have been a parent governor at Ancaster Church of England Primary school since October 2013, although my youngest child moved on to secondary school in July 2016. I serve on the Finance and Resources sub-committee as this is the best use of my experience gained in various roles in financial services and data analysis over the past 20 years. I currently work as a marketing consultant, which involves overseeing customer campaign development and delivery for a large financial services client.*

*I took on the role of chair in October 2015 and I am also the school's SEN governor.*
