

Simon Lunn – Parent Governor

*I have been a parent governor since October 2014 and I sit on the Finance and Resources committee, where I am also vice chairperson.*

*My motivation as a governor is to ensure that Ancaster Primary School provides the best possible education for every child in a safe and supportive environment.*

*I have 2 children both of whom attend Ancaster Primary School, so the school has been a large part of our lives for several years and will continue to be for foreseeable future.*

*Professionally have worked for the same local company for 27 years. I have worked several roles within the accounting and IT functions, currently my role is IT Supervisor.*

*I like to be busy, which is lucky as work and family ensure that this is always the case. When I do have the chance I am an active runner, and also enjoy DIY.*
