Class Portugal Creative Curriculum

### Time Tunnel

### Amazing Anglo-Saxons

### Key Dates:

Class Portugal Day: 7.9.18

Parent Worship 17.10.18 3pm

This term we will enjoy finding out more about Portugal our chosen class country- its customs, geography, legends and history. Talking of history, our main theme, "Amazing Anglo-Saxons", will take us on an exciting tour of the Anglo-Saxon era. We will start by investigating different forms of evidence and how they can mislead us! Not only will we research everyday life in Anglo-Saxon Times, but through our class novel, "The Buried Crown", we will explore World War 2 and its effects on the British population. In Maths we will also explore Anglo-Saxon dates and compare facts and figures about England and Portugal. Our Art & Design work will focus on Anglo-Saxon jewellery and weapons, while our RE work will compare aspects of Christianity and Judaism. In music we will explore music in our community; linking with our science work on Sound. In Computing, we will develop and test algorithms; linking with our Maths work on shape. We will also improve and extend our word-processing skills. In French we will improve our ability to talk about ourselves and explore French Christmas songs and customs. All in all, we hope it will be a fun, productive and busy term!
