

For the beginning of Term 5, we will be brushing up on all our Maths, Reading, Grammar and Writing skills to ensure that Y6 are as well prepared as they can be. However we will also have the chance to explore: African drumming, Indian Bollywood dance and Hindu Belief & lifestyle as the term commences with a busy and exciting multicultural week.

Journey of Life , our geography-based topic, will provide lots of opportunities to explore the incredible journeys made by both humans and animals. Through our class novel, "Dear Olly" we will explore not only the incredible journeys undertaken by birds like swallows, but also the human issues of refugees, landmines and charity.

Our visits to Woodland Waters and Hamerton Zoo will also help to bring our topic alive; as we study creatures and their habitats.
