

## **Zoe France – Clerk to the Governors**

I joined Ancaster Church of England Primary School as Clerk to Governors in 2012. I have also worked as Clerk in other local schools and prior to this as a Finance Assistant in the manufacturing industry. I've lived in Sleaford for 12 years with my husband, Craig, and have an 18-year old daughter Becky who is currently studying her A levels.

I love learning anything new: from maths and systems analysis to the arts and literature and to relax I enjoy spending time in the garden growing my own vegetables.
