

Ancaster  
Church of England Primary School

Thursday 30th June 2016

Dear Parents and Carers,

Following our wonderful 'Pedal Power' sponsor event that took place last week to gain funds for our new library, I am writing to confirm the huge achievement of the children and the next steps in ensuring the sponsorship gained by the children are in school in time for their entries to be included in the raffle draw for the brand new bike courtesy of Dr. Bike.

On the day, we collectively cycled 1916 laps of the track which equates to 399.6 miles, in approximately 3 hours, which was absolutely amazing. We are so incredibly proud of the children and their achievements and regardless of how many laps each child undertook, each and every lap was vitally important to contributing to that magic total. 399.6 miles means we completed the journey to the British Library in London and then travelled back to Ancaster, we then travelled there again and managed to get halfway back (we think we are presently sat at a Service Station having a well-earned rest). The children couldn't believe their efforts when they were told the total mileage and were extremely proud of themselves.

Now that the hard work has taken place, I have decided to extend the date for sending sponsor money into school as a few parents have expressed they will be collecting their last few sponsors over the coming weekend. With this in mind, please can we ask that all sponsor money is now at school by the end of the day on **Tuesday 5<sup>th</sup> July 2016**. It is on this date that we will be collating the raffle tickets for the draw and any sponsors arriving after the date may not be able to be included in the draw. When sending to the office, please send the money in a sealed envelope with your child's name and class on the front as well as the total sponsorship amount. Any cheques will need to be made payable to 'Ancaster Church of England Primary School'.

Once again, I want to take this opportunity to congratulate the children on their achievements and I am very much looking forward to announcing the grand total of sponsorship as well as the winner of the brand new bike.

Yours sincerely,

*S. Eden*
